## *The Corporation for National and Community Service's Social Innovation Fund Announcement*

The Corporation for National and Community Service (CNCS) recently released a Notice of Funding Availability (NOFA) for the **Social Innovation Fund**, a CNCS grant program created by the Serve America Act. You can view the NOFA at [http://www.nationalservice.gov/for\\_organizations/funding/nofa.asp](http://www.nationalservice.gov/for_organizations/funding/nofa.asp).

Through an innovative public-private partnership, the Social Innovation Fund and selected local and national grantmakers address major challenges in low-income communities by mobilizing funds to grow community-based solutions that have evidence of real impact. The Social Innovation Fund focuses on three priority areas: youth development, economic opportunity and healthy futures.

In FY2012, CNCS will award approximately \$10 million to \$15 million in grants to up to six grantmaking intermediaries. Successful applicants will receive grants of between \$1 and \$5 million per year, to be matched dollar for dollar by the intermediary, for up to 5 years. Intermediaries will make subgrants to non-profit community organizations of at least \$100,000 per subgrantee each year for up to five years. Awards to subgrantees will also be matched 1:1, yielding up to \$3 in private funding for every \$1 in federal funding. In addition to funding, Social Innovation Fund grantees receive significant technical assistance from CNCS to support implementation of their programs.

**The deadline for applications is March 27, 2012 at 5:00 p.m. Eastern Time.**

Successful applicants will be notified in mid-August.

CNCS will host technical assistance calls and webinars for potential applicants. Applicants may visit

[http://www.nationalservice.gov/for\\_organizations/funding/nofa.asp](http://www.nationalservice.gov/for_organizations/funding/nofa.asp) for information about additional technical assistance opportunities.
