U. S. Department of Labor's Veterans Workforce Investment Program Grant Announcement

The U.S. Department of Labor announced the availability of approximately \$12 million in grants through the Veterans' Workforce Investment Program to provide job training and skills development services that will help approximately 6,000 veterans succeed in civilian careers.

"These men and women served our country, and now it is our turn to serve them and to support them. The grants announced will help ensure our nation's veterans receive the assistance they need as they make the transition to civilian life," Secretary of Labor Hilda L. Solis said.

Through funds provided by this program, veterans will receive skills assessments, individual job counseling, labor market information, classroom or on-the-job training, skills upgrades, placement assistance and crucial follow-up services. Veterans also may be eligible for services through other Workforce Investment Act programs for economically disadvantaged or dislocated workers.

The department will award at least 10 grants in 10 states on a competitive basis to state and local workforce investment boards, local public agencies and nonprofit – including faith-based and community – organizations. Grantees must be familiar with the areas and populations to be served, and have demonstrated that they can administer effective programs.

Eligible Applicants:

Applications for funds will be accepted from State and Local Workforce Investment Boards, Public agencies, non-profit organizations, including faith-based and community-based and neighborhood partnerships. Applicants must have a familiarity with the area and population to be served and the ability to administer an effective and timely program

Note that entities organized under Section 501(c)(4) of the Internal Revenue Code are not eligible to receive funds under this announcement. Section 18 of the Lobbying Disclosure Act of 1995, Public Law 104-65, 109 Stat. 691 (2 U.S.C. 1611) prohibits instituting an award, grant, or loan of federal funds to 501(c)(4) entities that engage in lobbying.

Entities that are debarred or suspended shall be excluded from Federal financial assistance and are ineligible to receive a VWIP grant.

More information about the Department of Labor's unemployment and re-employment programs for veterans can be found at <http://www.dol.gov/vets/>.

The solicitation for grant applications is available at <http://www.grants.gov>. It also may be viewed at <http://www.dol.gov/vets/programs/vwip/main.htm>.
