Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Regional One Health Care Access and Quality Care Improvements** in fiscal year 2022. The entity to receive funding for this project is **Regional One Health**, located at **877 Jefferson Avenue, Memphis, TN 38103**. The funding would be used **to provide priority clinical enhancements that will enable front line health care workers the ability to more accurately and quickly diagnose and treat ill and critically injured patients. As the only essential access health care system in Shelby County, and the oldest teaching hospital in the state of Tennessee, these improvements will continue to improve the quality of care for vulnerable Shelby County residents.**

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Steve Cohen
Member of Congress
