The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a **Snow Removal Equipment (SRE) Building at Memphis International Airport** in Fiscal Year 2025. The entity to receive funding for this project is **the Memphis-Shelby County Airport Authority** located at **2491 Winchester Road, Memphis, TN 38116**. The funding will **be used for Construction of a Snow Removal Equipment Facility for storage of snow removal equipment**.

The project is an appropriate use of taxpayer funds because **it will provide winter protection and proper storage to extend the longevity and efficiency of important airport operations equipment. Snow removal equipment is critical to maintaining passenger and cargo operations during winter weather events.**

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Steve Cohen  
Member of Congress
